MARINE NEWS is a B2B brand with a focus in the marine industry. The brand content and editorial scope of the publication includes news and industry comment, in-depth technical articles, industry round-up, and special features. The content of every issue is also available to subscribers globally via the online digital version.

BRAND REPORT PURPOSE

The Brand Report provides a deeper understanding and identification of all audited touch points with customers that have interest in the brand. It is designed to present analysis of all communication channels, including a brand's unique users within each channel of, but not across, multiple media platforms. This non-integrated report contains data for each separate media channel as indicated in the Executive Summary. No attempt has been made to identify or eliminate duplication that may exist across media channels.
